Dear Parent/Carer

Welcome to Year 7

We hope your son/daughter has settled into life at Kingshill in a positive manner. We are very aware that the start of secondary school can feel like a very big step up from primary school. With the support of their Year 10 Student Buddies, the whole cohort have approached their first few days in a very impressive manner, displaying resilience and taking pride in all that they are doing.

To support your understanding of our priorities in helping your child to achieve their very best in both an academic and personal sense, we are inviting you to attend a 'Welcome to Year 7' evening. This will incorporate part 2 of our parent presentation following on from the Induction Evening last June and an opportunity to meet your son/daughter's tutor. The evening is expected to last about an hour and will take place on Tuesday 24th September 2024 starting at 6pm.

During the evening, you will learn about our *UP* strategies in helping to maximise students' learning and progress. In addition, we will be focusing on how best to use our communication system Edulink, along with practical suggestions for helping your son/daughter manage their homework.

Upon arrival attendees will be directed to either the presentation in the Dining Room or the meet the tutor area as follows:

- Student surname starting with A – L please go to the Dining Room
- Student surname starting with M – Z please go to the appropriate room to meet their tutor

7A Mrs Vine	Art Room 1
7B Mr Addis	M3
7C Mrs Firth	M1
7D Miss Thomas	M4
7E Mrs Sharrock	M2
7F Mr David	DT4

We would very much encourage you to attend this event so that the key messages can be shared with you. We look forward to seeing you there!

Kind regards,

Mrs D Christopher
Deputy Head and DSL
