A MYSTERY MESSAGE

Use the map of the countries of the world on pages 8–9 to decode this message. Each missing word is all or part of the name of a country. (For some answers, letters have to be taken out of or added to the name of the country.)

I was _ _ _ _ a _ _ (east of Austria), so I bought a large _ _ _ _ _ _ (east of Greece), some _ _ _ _ _ ns (east of Norway) and a bottle of _ _ _ _ ugal (west of Spain). Finally, I ate an _ _ _ land (west of Norway) -cream. I enjoyed my _ e _ _ i (east of Mauritania), but afterwards I began to _ _ _ _ earia (south of Romania) and I got a bad S _ _ _ _ (south of France). A O _ _ _ (east of Saudi Arabia) told me: 'Just eat Philip _ _ _ _ sapples (south of Taiwan) and _ _ gypt (east of Libya), cooked in a Ja _ _ _ (east of Korea). Tomorrow you can eat a Ghban _ _ _ (east of Ivory Coast) and some _ _ _ _ _ _ (east of Peru) nuts. It shouldn't _ _ _ _ a Rica (west of Panama) you too much.' I said: 'You must be _ _ _ agascar (east of Mozambique)! I think I've got _ _ _ _ ysr _ _ (north of Indonesia). I'll have _ _ / _ _ (west of Benin) to a doctor quickly, otherwise I'll soon be _ _ _ _ Sea (lake between Israel and Jordan).'
    Happily, the doctor _ _ bared (island country south of USA) me, so I am still M _ _ d _ _ _ s (islands west of Sri Lanka) today!
